

**REMARKS**

**Amendments to the Claims**

Claims 2 and 4-22 have been amended herein to clarify their respective references to their respective parent claims. These amendments do not narrow the claims. No new matter is added by these amendments, and their entry is respectfully requested.

**Remarks**

Applicants wish to thank Ms. Vonda M. Wallace for discussing the below-referenced Notification with applicants' representative on May 8, 2007.

In the Notification of Missing Requirements Under 35 U.S.C. § 371 mailed on April 23, 2007 (the "Notification"), the Office contended that the claims filed with applicants' September 22, 2006 Preliminary Amendment included six (6) independent claims. As a result, the Notification charged applicants with a \$300 fee for the alleged excess independent claims. Applicants respectfully disagree with this contention, and submit that claim 1 is the only independent claim.

Nonetheless, and per Ms. Wallace's suggestion, applicants have amended claims 2 and 4-22 to clarify their respective references to their respective parent claims, thereby making clear that claim 1 is the only pending independent claim.

In view of these clarifying amendments, applicants submit that the \$300 additional claim fee in the Notification is no longer applicable. Accordingly, in the Response to the Notification filed concurrently herewith, applicants have paid only the \$65 surcharge fee.

2nd Preliminary Amendment

However, as indicated in the Response, the Director is authorized to charge any additional fees due, or to credit any overpayment, to Deposit Account No. 06-1075 (Order No. 001581-0301).

**Conclusion**

Applicants request favorable consideration of the application and early allowance of the pending claims.

Respectfully submitted,
